B-POWER DUAL ENROLLMENT

Dear Parents/Guardians,

Your child's high school has agreed to partner with the University of Baltimore in the B-Power program. This school year, students will have the opportunity to enroll in a special virtual college Statistics course in Spring 2020.

Here is some information to get started:

The course will begin on **January 27th** and end **May 17th**.

- Live online classes will be held on Monday, Wednesday, and Friday from 8:00am-8:50am at your high school.
- An in-person coach will visit the class at your school at least once every two weeks. This coach will be able to assist with coursework and answer questions.
- We will hold an orientation on UB's campus on Saturday, **January 18th** at 10:00am for parents, students, and school staff/faculty in Academic Center Room 234. Enter the building at 1420 N. Charles St. to sign in.
- Please return your signed, completed application to Philippia Richardson: prichardson@ubalt.edu by **January 10th**. Please bring a signed student/parent contract to orientation. If you have questions, please contact me at any time.

"UB is where you need to be. They make you feel welcome and are always there for you."

- Lauren Hawthorne,
Baltimore Leadership School for Young

"Being able to take a college course challenges not only my literacy but challenges my thought process."

- Charmayne Jefferson, Knowledge Achievement Success Academy HS
